Location

This villa is located within the secure hillside complex of Temple Hill Upper II, only a five-minute walk from Jimbaran; a sweeping bay that curves for five kilometres from the southern side of the airport to the start of the Bukit Peninsula. The Bukit Peninsula's beautiful beaches and many of Bali's world-famous surf breaks are within a 20-minute drive of the villa.

Things to do

- Experienced surfers head to The Bukit Peninsular for its renowned surf breaks at Uluwatu, Dreamland, Padang-Padang, Impossible's and Suluban.
- Soar above the spectacular southern coastline of Bali on a paraglider. Paragliding courses, tandem and solo flights are available.
- Perched on a cliff 70m above the roaring Indian ocean, Uluwatu Temple - especially at sunset - is a sight not to be missed.
- Tee off on the splendid 18-hole Bali Golf and Country Club golf course at Nusa Dua, one of the best courses on the island.
- The long, clean white sands of Nusa Dua Beach are great for swimming (safe for kids) and the place to go for all sorts of nautical activities, including jet skiing and wind surfing.
- The Bali Collection at Nusa Dua offers hassle-free shopping. Fashion, arts and crafts, departments stores, designer boutiques and even a supermarket are all here. Tourist markets near Mengiat Beach and the Melia Bali resort supply plenty of souvenirs. Otherwise, head to the many boutiques of Seminyak and Kuta.
